Reviews and assures accurate eligibility determination on documents of medical, developmental, family history and other information for AzEIP. Participates with other agencies such as Indian Health Services, AHCCCS, Department of Economic Security DDD, Arizona School for Deaf/Blind, Social Services, Head Start, and others by reviewing child's records and conducts appropriate eligibility determination. Coordinates the development of Individualized Family Service Plan (IFSP) for services to children with disabilities and their families based on the needs identified by the Team as a result of assessment evaluations and diagnosis. Facilitates clear communication with families for the duration of services to assure that child/family's needs are met. Continues close communication with other team members including but not limited to physicians, participating agencies, and other service provider agencies. Collects child count information by assuring that child count data is accurate for submittal to the BIE. Child count data using ACTS4 database must include referral information, child's disability, age and services provided and be compiled based on December 1st deadline. Prepares program reports quarterly. Facilitates and coordinates all aspects of the early intervention process as outlined by AzEIP, Navajo Nation and IDEA, Part C requirements. Assures that all referral packets have all required family priorities, resources, interest and concerns are included in the documentation of the IFSP planning process. Provides on-going early intervention services to Navajo children eligible pursuant to IFSP. Conducts Child Find and public awareness by developing a consistent plan to assure that Navajo children are identified early, assures that child find activities are provided in a culturally sensitive manner and within the context of the Navajo language. Identifies children so that 2% of the infant/child population on the Navajo Nation are provided services under an IFSP. These requirements are national benchmarks. Assures that child's records maintained by the program are confidential, has child's current level of development, developmental screenings, developmental checklist and other documents required by AzEIP, Navajo Nation and IDEA, Part C.
