DUTIES AND RESPONSIBILITIES:

Extract customer ledger reports from Financial Management Information System (FMIS) on a daily, weekly, monthly basis by Business Unit, Company, Agencies, Districts, category/object code, and holdover rates in detailed and/or summarized form. Then analyze, verify, report and/or record the results if it is balance to the General Ledger. Export financial data from FMIS to an Excel format. Calculate using data functions; create formula to perform math operation and compare it to previous month's Accounts Receivable (AR) accounts. Perform rental billing upon receipt of financial documents to invoice; calculate, record and enter the financial data into FMIS system for assigned accounts. Prepare invoice and bill customer according to approved rate within supporting documents or lease agreements requiring billing. Process customer payments in coordination with Cashiers' Section. Enter journal entries credit memos for adjustments and update assigned AR accounts on FMIS based on modification, holdover, expired, cancelled or terminated leases or as requested by Program. Write letter to the Business Site Lessees on adjustment(s) made. Reconcile Customer Ledger accounts to the General Ledger on a daily, weekly, monthly basis. Generate and extract detail and/or summarized reports for internal and external Auditors as requested. Assist, update and/or provide supporting documents for Auditor's review. Review AR integrity issues weekly. Resolve integrity issues by researching and testing data in question. Ensure data integrity and correct discrepancies of master data set-up in the FMIS. Issue documentations for Structured Query Language (SQL) for AR maintenance. Develop and maintain all FMIS user's documentation, test AR scripts, Design Book and Training Manuals. Update JD Edwards Enterprise One AR Module based on new upgrades released by Oracle Technical Support team. Initiate new scripts and customize AR script(s) to match its policies and procedures and/or new upgrades released for the modules. Provide FMIS training to new employees. Prepare training materials for live training for End Users. Customize written AR test for End User's certification.
