**SUBJECT :** Recruitment Database/Online Application Transition

The Department of Personnel Management (DPM) is pleased to announce the upcoming release of our Online Application! With this change, the DPM will be going through a transition period to allow a smooth and successful deployment of the online application portal.

The DPM Recruitment team will also be transitioning to a newly developed internal database. This will include changes to the qualification assessment process which will be utilized by DPM and division evaluators conducting their own assessments. More information and training will be forthcoming from the DPM Recruitment Team.

We are excited to bring this new online application to the Navajo Nation! As we prepare and adjust to this transition, we would like to thank you in advance for your patience, understanding and cooperation.

For further information or questions, please contact the DPM Recruitment team at or (928) 871-6723 or [recruitdocs@dpm.navajo-nsn.gov](mailto:recruitdocs@dpm.navajo-nsn.gov).
